Speaker stand

Product variant

26750-022-55 - black

Data

Base diameter	450 mm
EAN	4016842118410
Gewicht	8.9 kg
Height	from 930 to 1,430 mm
Height adjustment	locking screw and safety hook
Leg construction	round cast-iron base
Material	steel
Max. load capacity*	35 kg
Quality level	Topline
Rod combination	2-piece folding design
Special features	mounting aid included; speaker will be fixed with flange adapter
Tube end(s)	diameter 35 mm
Type	black

Space-saving speaker stand with a large, flat cast-iron base (ø 450 mm). The solid steel construction impresses with its stability and supports speakers weighing up to 35 kg when the load is centred. For optimal sound reinforcement height, 100 mm steps can be set between 930 and 1430 mm. The slim clamp with safety hook is easy and comfortable to use. The end tube has a diameter of 35 mm and is therefore suitable for all corresponding flange bushings. The range of applications can be extended with a variety of accessories such as a projector tray (26747), mounting adapter (19580), etc.
