80329

Disinfectant stand including sensor dispenser

Product variant

80329-000-76 - pure white

Data

Base diameter	250 mm
Dispenser dimensions	150 x 100 x 251 mm
EAN	4016842116386
Height	1,020 mm
Leg construction	round cast-iron base
Material	steel
Special features	drip cup can be removed for cleaning; sensor dispenser 1000 ml included
Type	pure white
Weight	5.5 kg

Round base with diameter of 250 mm and circumferential rubber ring for floor protection. Powder-coated tubular steel. The plastic drip cup is located at a height of 1020 mm and can be removed for cleaning. The stable dispenser holder made of powder-coated metal is hygienically easy to clean. The automatic dispenser allows the touch-free dispensing of the sanitizer and thus ensures germ-free hands quickly and reliably. An integrated spray nozzle is provided for the use of sanitizer liquids. The integrated refillable bottle has a large filling capacity of 1000 ml and is enough for more than 1500 uses. Operates with batteries (not included). Fixing material for mounting on the stand is included in the delivery. Please note that the stand is not a medically certified product. Disinfectant is not included in the delivery.
