Marching drum stand

Product variant

13335-000-55 - black

Technical Data

Adjustment	2 clamping lever for quick adjustment
EAN	4016842108848
Instrument support	non-marring slip-proof material
Material	steel
Musikinstrument	marching drum
Support depth	450 mm
Support width	from 370 to 610 mm
Type	black
Weight	5.05 kg

A robust stand for all common marching and concert drums. The solid steel construction with resistant powder coating folds flat for transport. Soft rubber caps and pads ensure a secure stand and protect the drum from scratches. The ergonomic clamping lever allows quick and easy set-up and folding. The solid metal joint interlocks with 5° steps thus enabling a variety of different positions. With the help of a scale, you can quickly find your preferred position.
