Shape	keyboard table
Support depth	345 mm
Support width	from 180 to 790 mm
Price display	
Type	ruby red
Max. load capacity	80 kg
Quality level	
Material	steel
Special features	levelling end cap to stabilize the stand on uneven surfaces; with engraved height scale; includes 4 cable clamps to guide the cable
Height adjustment	spring-loaded clamping knobs
Base dimensions	970 x 575 mm

Its compact steel tubing construction and large round levelling end caps make this attractive keyboard stand significantly more stable. Two-sided spring-loaded locking screws make precision height adjustment easy. The support arms can be adjusted to suit the size of the keyboard. When folded, the table is impressively flat. The design of this table matches the piano benches 14080, 14081, 14085, 14086 and 14087. An optional extra are the stackers 18811 for a second level and 18822 for a third level, allowing the use of a second or third keyboard/laptop. Use the adapter 18814 to mount the universal holder 18817 easily and quickly.
