| <b>Type</b>               | black                                                                                                                                                                         |

The robust clamping element with the ergonomic clamping screw provides for a quick and easy mount to tubes with a diameter of up to 30 mm. Thanks to the 3/8" screw all K&M iPad holders or Tablet PC holders can be mounted easily. Alternatively, an additional microphone or other accessories (with 3/8" threaded connector) can also be mounted.
