Price display	
Max. load capacity	80 kg
Quality level	
Material	steel
Height	from 600 to 1,000 mm

The stable and sturdy stage piano stand is great for playing the piano in a seated or standing position. The height can be adjusted between 600 and 1000 mm without the use of tools. The stand is equipped with height adjustable legs with integrated levelling feet for uneven surfaces. The stage piano stand is collapsible for easy and compact transport. There is a wide range of expansion options, such as a stacker for a second keyboard, laptop or universal holder, which round off the complete package.
