Stands For Music

19410

Clamp bracket

Product variant

19410-000-55 - black

Data

Adjustment	continuous
Clamping range	up to 51 mm
EAN	4016842122479
Gewicht	0.76 kg
Height adjustment	non-scratching locking screws
Length	350 mm
Material	steel
Max. load capacity	4 kg
Quality level	Topline
Spacing of holes	60 mm
Special features	inclination, alignment and height can be adjusted as required
Type	black

The 19410 allows equipment to be installed on a desk or other surface using a clamp. Compatible with the Yamaha MSP3A powered monitor and MS101-4 compact speaker for multipurpose applications, the stand allows the position and angle of the speakers to be easily adjusted. This provides a high degree of freedom in installations and is useful in locations where the working space is limited.
