Double storage with »Double«! Wherever space is at a premium. The new stand for 2 guitars is proving very popular. Acoustic, electric or bass guitar – the patented hanger grasps the guitars firmly and securely. The firm grip is provided by the individual protectively covered moveable support arms. The large lobes on the holder ends prevent the guitar rotating or accidentally falling from the hanger. The large soft foam roll protects the body of the guitar and gives the stand its unique look. The stand folds quickly and compactly for transport.
