An ideal stand for all accordion players. It is a practical aid to avoid overstressing your back and useful for the musician when performing. The stable foldable 4-legged construction with integrated levelling screw is easy to transport. A comfortable clamping screw adjusts the height from 730 to 1135 mm. An ergonomically optimal posture is possible due to the fully adjustable angle of the accordion holder from +/- 22°. The depth of the stand can be adjusted from 135 to 250 mm and the height from 380 to 585 mm. The stand is suitable for all standard accordions.
