Professional drummer’s throne: stable, foldable 3-leg base with fixed large rubber end caps for good floor contact and shock absorption. Continuous height adjustment by a notched system with 10 mm steps for a quick and precise height positioning. Locking height adjustment mechanism features a comfortable pull-button and handy clamping lever. Very sturdy and unique rod combination. The detachable seat is equipped with a newly designed mounting flange. The wing nut enables a stepless adjustment of the seat rotation from heavy to loose position. The ergonomic seat reduces pressure on the drummer’s thighs. Perfect comfort from sophisticated upholstery in black, high quality grained soft imitation leather. As a world-wide first, this drummer’s throne has 4 threaded screw sockets on the bottom side of the seat to attach a ButtKicker.
