

18820

## Table-style keyboard stand »Omega Pro«

### Product variant

18820-019-76 - pure white

### Technical Data

|                    |                                                                                                                                                                                      |
|--------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Height             | from 600 to 1,020 mm                                                                                                                                                                 |
| Visibility         |                                                                                                                                                                                      |
| Size when folded   | 950 x 575 x 180 mm                                                                                                                                                                   |
| Support width      | from 122 to 729 mm                                                                                                                                                                   |
| Shape              | keyboard table                                                                                                                                                                       |
| Support depth      | 345 mm                                                                                                                                                                               |
| Type               | pure white                                                                                                                                                                           |
| Special features   | fully collapsible;<br>levelling end cap to stabilize the stand on uneven surfaces;<br>with engraved height scale;<br>includes 4 cable clamps to guide the cable and a carrying strap |
| Price display      |                                                                                                                                                                                      |
| Max. load capacity | 80 kg                                                                                                                                                                                |
| Quality level      |                                                                                                                                                                                      |
| Material           | steel                                                                                                                                                                                |
| Height adjustment  | spring-loaded clamping knobs                                                                                                                                                         |
| Base dimensions    | 970 x 575 mm                                                                                                                                                                         |

The compact steel tubing construction and the large round levelling end caps give this attractive keyboard table exceptional stability. The spring-loaded clamping knobs on both columns allow easy and precise height adjustment. The support arms can be individually adjusted to the size of your keyboard. Thanks to the folding legs a compact and flat pack size is achieved, making the »Omega Pro« the perfect mobile "travel companion". The design of this table matches the piano benches 14080, 14081, 14085 and 14086. Optionally available are the attachments 18811 for a second and 18822 for a third level, allowing the use of a second or third keyboard. With the aid of the 18814 adapter, the 18817 universal holder can also be mounted quickly and easily on the keyboard stand. Delivery includes a carrying strap.
