The new headphone holder including an innovative table clamp is a guaranteed secure and comfortable holder for your headphones. The holder protected with soft rubber can easily hold 2 standard headphone sets and 4 in-ear headphones can additionally be hung to the slotted sides. The headphone holder can be fixed in four different directions using the clamping screw. In addition the holder can be rotated from any position by 90°. The clamp can be extended from 0 to 48 mm allowing it to be mounted on a wide variety of tables. The stable metal construction with high quality plastic inserts guarantees a secure and strong attachment. The cleverly shaped clamping parts allow the clamp to be used on smooth surfaces and round-shaped tubes.
