Microphone desk arm

Product variant

23865-300-55 - black

Technical Data

Clamping range	10 to 51 mm / ø 15 to ø 51 mm
EAN	4016842108671
Length	from 460 to 960 mm
Material	aluminum, steel
Max. load capacity	1,5 kg
Special features	four cable clips are included
Threaded connector	3/8" and 5/8"
Type	black
Weight	1.06 kg

This exclusive microphone desk arm with 3/8" or 5/8" thread connection in an attractive design and with an innovative table clamp enables the quick and flexible alignment of microphones in studios or multimedia workplaces. Microphones weighing up to 1.5 kg are easily held in any position. With a clamping range of 10 to 51 mm / ø 15 to ø 51 mm, the clamp offers a wide range of mounting options. The sturdy metal frame with high-quality plastic inserts and anti-slip pads ensures secure and powerful clamping. Thanks to the specially shaped clamping surfaces, the clamp can be used on smooth surfaces as well as on round tubes. Optionally, the microphone arm can also be fixed with the additionally available table flange 23855.
