Swivel 110 °

Bearing plate 100 x 90 mm

Flexible and compact wall mount for loud speakers up to 15 kg. The variable wall mount has two adjustments - angle and direction. In addition, it keeps the speaker close to the wall. Whether it is used for loud speakers that are equipped with vertical or horizontal drill holes, both options can be mounted easily and securely to the wall mount. The decor-wall plate rounds off the look of this attractive product.
