Mounting attaches to ceilings

Adjustment continuous

Robust and useful loudspeaker ceiling mount with 250 mm distance and internal cable management. The swivel area is $\pm 45^\circ$. Within the parameters - the settings range from 0 to 45° . The clamping bracket is for loudspeakers with a vertical mounting template from 70 to 76.2 mm. For other attachment possibilities additional adapter brackets are available. A mounting bracket with side and central cable management makes mounting to the ceiling easier.
