Base diameter	700 mm
Price display	
Connection stand/plate	prismatic »V-block« connector
Adjustment	continuous
Laptop rest	400 x 290 mm
Max. load capacity	5 kg

The convenient and comfortably sized laptop rest of 400 x 290 mm is large enough to hold notebooks, laptops or similar products in a range of sizes. The V-shaped connector means the laptop rest can be quickly detached for transport. Its angle can also be altered to any position with the clamping lever. The stable 3-legged base section folds compactly.
