The laptop stand offers stability and safety. The generously sized tray provides space for all common laptops. Thanks to the adjustable clamping bolts with rubber caps, the laptop is protected and can be secured safely on the stand. To secure the laptop, the clamping bolts are pressed on the laptop using wing nuts. An additional hole allows convenient cable management. The height of the stand can be adjusted variably. For transport the tray can be removed easily without the use of tools. The robust tripod legs quickly collapse together into a compact and easy to carry package.
