26783

Screen/Monitor stand

Product variant

26783-019-56 - structured black

Technical Data

Base dimensions	900 x 500 mm
EAN	4016842108558
Height	from 1,100 to 1,650 mm
Height adjustment	spring-loaded clamping knob
Leg construction	legs constructed from steel profile tubes with adjustable leveling feet ensure that the setup does not rock
Material	steel
Mounting device	VESA MIS-F - with universal bracket: 300 to 800 mm horizontal, 200 to 500 mm vertical, VESA MIS-F 200 (200x200) - with adapter bars
Rod combination	2-piece folding design
Special features	internal cable routing possible; installation material (M6/M8) and assembly tools included
Suitable for	flat screens from 42" to 65"
Type	structured black
Weight	17.9 kg

A high degree of stand stability and easy handling are the special characteristics of this impressive screen/monitor stand. The universal mount allows one to set up according to the VESA Standard for 42" to 65" flat screens. Two strips are screwed to the back of the screen/monitor, which is then attached to the wall mount. The large tubing saves space by providing a place to organize and store the cables. The height can be adjusted in steps using an ergonomic height adjustment screw. The integrated adjustable feet stabilize the stand on uneven surfaces, providing for stability.
