Product variant

19708-000-55 - black

Technical Data

Dimensions	46.5 x 44 x 27 mm
EAN	4016842111565
Material	plastic, steel
Special features	noise-absorbing by small adhesive pads
Type	black
Weight	0.06 kg

The secure and flexible mounting for your tablet. With the magnetic holders, four per set, you can transform any orchestra music stand with a steel plate into a useful tablet PC stand. The holders with the robust plastic body are positioned over the corners of the tablet so that operating elements or a tablet pen are freely accessible. Two strong adhesive magnets function in each holder, their noise-absorbing operation is ensured by small adhesive pads.
