Triple monitor mount

Product variant

23878-000-55 - black

Technical Data

Angle of inclination	-90° to 85°
Clamping range	up to 85 mm
EAN	4016842116706
Height adjustment	pneumatic spring
Material	aluminum
Max. load capacity	8 kg
Mounting device	4 mount holes VESA 75/100
Special features	continuously hight adjustment of 160 + 350 mm; internal cable routing possible
Suitable for	flat screens up to 24"
Swivel	180 °
Type	black
Weight	4.96 kg

The perfect solution for your individual workspace. With this desk mount, you can position three monitors up to a size of 24" in a space-saving and ergonomic way. The robust aluminum construction with integrated gas spring can bear a load of 8 kg each. The connection plates are designed for VESA sizes 75/75 and 100/100. Thanks to the large stable table clamp (up to 85 mm thickness), the complete mount is quickly installed and can be used flexibly. Here, a height adjustment of up to 160 mm is possible. The two outer arms offer an additional 350 mm of height adjustability. Of course, each head can still be infinitely tilted, rotated and swiveled for a perfect viewing comfort and improved working posture. The integrated cable management ensures a tidy and professional workspace.
