Max. load capacity	8 kg
Type	black
Suitable for	flat screens up to 24"
Mounting device	4 mount holes VESA 75/100
Price display	
Material	aluminum
Height adjustment	pneumatic spring

The perfect solution for your individual workspace. With this desk mount, you can position three monitors up to a size of 24" in a space-saving and ergonomic way. The robust aluminum construction with integrated gas spring can bear a load of 8 kg each. The connection plates are designed for VESA sizes 75/75 and 100/100. Thanks to the large stable table clamp (up to 85 mm thickness), the complete mount is quickly installed and can be used flexibly. Here, a height adjustment of up to 160 mm is possible. The two outer arms offer an additional 350 mm of height adjustability. Of course, each head can still be infinitely tilted, rotated and swiveled for a perfect viewing comfort and improved working posture. The integrated cable management ensures a tidy and professional workspace.
