Price display

Material steel

Angle of inclination 0° to -17°

Solid and stable wall mount with adjustable boom for monitors and speakers up to 15 kg. The boom can be swiveled on both sides up to 54° and tilted continuously up to -17°. The width is 170 mm and the clamping depth ranges from 150 to 220 mm. Self-adhesive rubber pads protect the surface of the box and prevent vibration noise. User-friendly controls allow quick and convenient adjustments, which also remain fixed thanks to additional counter options. The sturdy metal construction is protected by a durable powder coating.
