Adapter bolt

Product variant

24506-000-29 - zinc-plated

Technical Data

Diameter	35 mm
EAN	4016842119523
Height	52 mm
Material	steel
Special features	suitable for Penn Elcom flange adapters
Threaded connector	M20
Type	zinc-plated
Weight	0.33 kg

Useful adapter bolt made of metal, suitable for Penn Elcom flange adapters with diameter 35 mm and additional thread M20. The adapter is needed to use telescopic distance rods with M20 in this flange adapter. The matched length of 52 mm with the additional collar ensures a vibration-free and secure fit.
