Special features	suitable for Penn Elcom flange adapters
Price display	
Type	zinc-plated
Material	steel
Threaded connector	M20

Useful adapter bolt made of metal, suitable for Penn Elcom flange adapters with diameter 35 mm and additional thread M20. The adapter is needed to use telescopic distance rods with M20 in this flange adapter. The matched length of 52 mm with the additional collar ensures a vibration-free and secure fit.
