Base dimensions	430 x 400 mm
Type	black
Adjustment	spring-loaded clamping knob
Musikinstrument	bass saxophone
Price display	
Material	steel
Instrument support	non-marring slip-proof material

Extremely stable folding stand for holding heavy bass saxophones. Thanks to a variety of adjustment options, the stand is suitable for a wide range of sizes and models. For example, the distance between the two rubberized, protective instrument supports can be selected from 70 to 880 mm. The solid steel construction with the durable powder coating is easy to handle and therefore ideally suited for rehearsal room, studio or mobile use. An adjustable end cap also ensures a wobble-free stand.
