Technical Data

EAN	4016842121564
Material	plastic
Special features	particularly suitable for smartphones, flat devices and MP3 players; operating elements are not impaired in their function; freely rotates 360°; flexible holding arm for individual alignment
Threaded connector	3/8"
Type	black
Weight	0.12 kg
Width	from 45 to 90 mm

With this universal holder, your smartphone is always within reach. The holder is suitable for all flat devices with a width of 45 to 90 mm. The operation is quick and easy. Insert smartphone - press clamping jaws together - done. The device is released again at the touch of a button. The clamping jaws with integrated rubber pads guarantee a secure hold. The movable supports can also be folded away completely if necessary. Thanks to the ball joint, the holder can be tilted up and down and rotated through 360°. The flexible support arm with the 3/8" microphone thread connection makes the smartphone holder versatile.
