Price display	

Flexible, ergonomic, and mobile - this high-quality laptop desk has it all. The continuous height adjustment reaches heights from 770 to 1,130 mm and is conveniently operated by foot pedal. The large MDF shelf, measuring 695 x 520 mm, can be adjusted from horizontal to 90°. Four large lockable castors ensure practical mobility and a secure standing position. This all-rounder is ideal for use in the studio, at home, or on and off stage.
