The customized solution for your workplace: this desk mount allows you to position your laptop in a space-saving and ergonomic way. The robust construction with integrated pneumatic spring can withstand loads of up to 9 kg. Thanks to the large, stable desk clamp (up to 60 mm wide), the entire mount can be quickly installed and used flexibly. Of course, the tray can be continuously tilted, rotated, and swiveled for a perfect viewing angle and a neck-friendly posture. In addition, the entire arm can be swiveled 360°. The integrated cable management also ensures a tidy and professional workplace.
