Leg construction	steel triobular base
Visibility	
Type	black
Price display	
Base diameter	137 mm
Material	steel
Height	152 mm
Threaded connector	3/8"

Interesting Perspective! Affordable table microphone-stand in a new attractive form, compact and practical. The low stand with its distinctive trilobular base (triangle form) holds the microphone reliably and securely in place. The circular rubber insert ring filters foot step sounds, reduces the transmission of unwanted sounds and provides a non-slip vibration-free stand.
