The compact steel construction and the large round end caps give this elegant bench a high degree of stability. The high-quality upholstery with the attractive imitation leather cover allows for a pleasant and comfortable music-making. The double-sided spring-loaded clamping knobs provide an easy and precise height adjustment. Thanks to the engraved height scale, every musician can find his or her personal setting easily. The two legs can be folded to a compact package. Thus, the extremely stable bench is also suitable for transport in no time at all.
