Quality level	
Material	steel
Threaded connector	3/8"

Classic microphone stand for special requirements. With an adjustable height of 1,100 to 1,810 mm, this powder-coated stand is particularly suitable for tall musicians. The base adds up to a diameter of just 440 mm, therefore the stand is very space-saving. The sturdy full-metal feet with sound-insulation rubber end caps provide excellent stability and are simply folded for transport or storage.
