This foldable and space-saving laptop stand is a must-have for every mobile DJ and musician. Due to its functionality and versatility, it can be assembled and disassembled very easily. The robust steel tube construction in combination with the attractive aluminium foot and support plate ensures excellent stability despite its low weight. Individually adjustable stop pins with rubber caps allow the use of all common laptop models, mixers, CD players, etc. The horizontal height is 320 mm and can be inclined in 8° steps. Non-slip rubber pads are included in the delivery.
