Material	steel
Max. load capacity	10 kg
Rod combination	2-piece folding design
Special features	thick foam insert with nub structure included
Type	black
Weight	6.4 kg

Useful percussion table for beginners, advanced players and professionals. The sturdy and stable stand can be continuously adjusted in height from 820 to 1,350 mm. The support plate with its generous dimensions of 576 x 376 mm can be removed for space-saving transport. A thick foam insert with nub structure, as well as the all-round edge protection, ensure noise-absorbing use. Non-slip rubber end caps, user-friendly wing nuts and the hard-wearing powder coating guarantee long-lasting use.
