Whether you play guitar, keyboard or any other instrument, this versatile stool with integrated backrest gives you the support you need for every use. The ergonomically shaped seat noticeably relieves the back and counteracts premature fatigue. The inclination of the imitation leather seat can also be continuously adjusted. The height and depth of the backrest can be individually adjusted. With a height adjustment of 645 to 930 mm, everyone can find their ideal position. The footrest, which is also height-adjustable, provides additional relief. The sturdy tubular foot construction with the integrated adjustable end cap ensures a safe and stable stand. For transport, the stool can be folded flat.
