Useful tabletop to extend the »Omega« keyboard stands 18800, 18810 (from 2015 model) and 18820. With the table top you get a generous space area of 450 x 1,100 mm in just a few steps and you transform your keyboard stand into a DJ table in no time. The 15.5 mm thick MDF board has a load capacity of 30 kg and is equipped with four quick-release clamps on the bottom. The scope of delivery includes support arms and mounting equipment for installation on the keyboard stands.
