| EAN | 4016842122479 |
| Gewicht | 0.76 kg |
| Height adjustment | non-scratching locking screws |
| Length | 350 mm |
| Material | steel |
| Max. load capacity | 4 kg |
| Quality level | Topline |
| Spacing of holes | 60 mm |
| Special features | inclination, alignment and height can be adjusted as required |
| Type | black |

The 19410 allows equipment to be installed on a desk or other surface using a clamp. Compatible with the Yamaha MSP3A powered monitor and MS101-4 compact speaker for multipurpose applications, the stand allows the position and angle of the speakers to be easily adjusted. This provides a high degree of freedom in installations and is useful in locations where the working space is limited.
