Special features	patented expanding mandrel system »Easy Lock«; vibration-free connection due to moveable plastic splints
Tube end(s)	»Easy Lock« diameter 35 to 37 mm
Type	black

Attractive speaker stand with flat steel plate, useful carrying handle and cable routing. The stand is ideally suited for use where space is at a premium. The height is fixed with a safety hook and secured by a clamping screw for a vibration-free and firm fit. The slim design of the clamp allows space-saving transport and ensures a stylish appearance. The usable height is between 1,130 and 1,830 mm and is adjusted in 5 steps of 140 mm. The patented expanding mandrel with quick-release fastener ensures a tight fit of the speaker cabinet. The plastic expanding splints also ensure a vibration-free connection between the speaker and the tube. The maximum load capacity at full extension is 35 kg.
