No matter whether you play guitar, keyboard or another instrument, this redesigned stool lends the right support for your back every time you play. The ergonomically shaped seat will perceptibly relieve pressure on your back and prevent premature tiredness. Moreover, the seat, which is covered with imitation leather, can be freely adjusted to any angle. The height can be adjusted from 600 to 900 mm to suit every individual. The practical and beneficial foot rest can also be height adjusted. The robust construction of the legs and the integrated foot end caps ensure the stool is sturdy and safe. The stool can be folded flat for transport.
