electric double bass
from 75 to 155 mm
black
2.78 kg

This new instrument stand was designed especially for the electric double bass. The flexible metal support bracket, upholstered with protective rubber provides optimum hold of the instrument. The newly developed V-shaped base for the endpin means it is easy to position the instrument securely in the stand. Compact when folded, it is highly suitable for mobile use. The clever design is completed by the flocked bow holder.
