Type	black
Music desk dimensions	19.69 x 12.60"
Leg construction	leg base screwable
Angle of inclination	0° to 85°
Price display	
Special features	Friction Lock: Quick height adjustment by push and pull
Connection stand/plate	screw connection
Quality level	
Material	steel

Stylish orchestra music stand with infinitely variable height adjustment (friction lock). To adjust the support height, from 25.709 to 46.653", the tube combination is simply pushed apart or back again. For large, heavy music books weighing more than 5.511 lbs, the height can be additionally secured by tightening the clamping sleeve. The large metal music desk measures 19.685 x 12.598" and is covered with a robust textured coating. The tilt of the music stand desk is also infinitely adjustable. Another feature is the large rubber end caps, which ensure a secure stand. The flat base construction is extremely space-saving and can be unscrewed for transport.
