guitar sizes;
the two feet which can be folded out at the
front ensure additional stability

Height 10.83"

Size when folded 11.42"

A compact, ultra-lightweight guitar stand made from high-grade aluminum tubing. The instrument support arms adjust to fit various guitar sizes, making this guitar stand suitable for both electric and acoustic guitars. The support arms are lined with a soft plastic material in order to protect the instrument finish. The two feet, which can be folded out at the front, ensure additional stability.
