|------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

Folding stand for all guitars. Features a patented flexible hooking-in and clamping system which quickly and firmly grasps the guitar neck. Fits most instrument necks. Studs at support arms provide extra protection. Height adjustment with convenient locking levers. Anti-twist feature on the extension rod for extra safety. High quality non-marring rubber on the stand's neck grip and base helps to protect the instrument. Stable robust base.
