EAN	4016842826872
Finger board	curved
Instrument support	non-marring slip-proof pad
Material	zinc die-cast
Special features	quickly adjustable with one hand; does not obstruct playing; for Western-style and electric guitars
Type	matt chrome
Weight	0.04 kg

Professional capo for western and E-guitars, in particular for rounded frets. The clamping mechanism is quick and easy to attach using one hand. The capo only weighs 0.084 lbs thanks to its aluminum construction and does not obstruct playing due to its slim and elegant shape. The capo‘s rubber covered brackets stick tightly on the fret ensuring that is does not slip.
