Musikinstrument violin

Special features high quality flocking cover;
with holder for bow

Instrument support flocked

This new König & Meyer wall holder is second only to a violin case as a safe storage option for your violin. The violin is clasped at the curved end of the peg box to prevent inadvertent adjustment of the pegs. The dimensions of the wall holder are such that there is place for the violin plus shoulder padding. The bow holder integrated at the side means the violin and bow can be picked up comfortably and easily. The durable flocked covering provides optimal protection for the violin.
