|--------------------|-------------------------------------------------------------------------------------------------------------|
| Size when folded   | 4.53 x 5.91 x 35.04"                                                                                        |
| Visibility         |                                                                                                             |
| Rod combination    | 2-piece folding design                                                                                      |
| Musikinstrument    | electric double bass                                                                                        |
| Base diameter      | 31.50"                                                                                                      |
| Instrument support | non-marring material                                                                                        |
| Leg construction   | tube legs with cross braces                                                                                 |
| Type               | black                                                                                                       |
| Suitable for       | electric double bass                                                                                        |
| Support width      | from 2.95 to 6.10"                                                                                          |
| Price display      |                                                                                                             |
| Material           | steel                                                                                                       |
| Special features   | flocked bow holder included;<br>support width can be adjusted individually to<br>the size of the instrument |
| Height             | from 36.22 to 63.78"                                                                                        |

This new instrument stand was designed especially for the electric double bass. The flexible metal support bracket, upholstered with protective rubber provides optimum hold of the instrument. The newly developed V-shaped base for the endpin means it is easy to position the instrument securely in the stand. Compact when folded, it is highly suitable for mobile use. The clever design is completed by the flocked bow holder.
