Screw-on to tube diameter 1.181"

Material steel

The practical and flexible holder for 3 mutes can be attached onto tubes with a diameter of 0.275 to 1.181". The holder is suitable for all common mutes for trumpets, cornets and flugelhorns. The individual holder rings (2 large sized, 1 small sized) are completely rubberized to protect the mutes from scratches. The holder collapses for an easy transport.
