Special features	upholstered seat and backrest made from inherently fire-resistant materials (Trevira CS); seat and backrest adjustable in height and inclination; continuously height adjustable one-third circle footrest; quiet and slip-resistant feet; seat is rotatable

Fully adjustable kettle drum / conductor chair with upholstered ergonomical seat and backrest. The height is variable adjustable from 23.425 to 33.464". Cushioning and fabric (Trevira CS) are made from inherently fire-resistant materials. The black fabric has a durability rating of 100,000 abrasion resistance cycles. The black powder-coated 5 leg base provides perfect stability. The one-third circle footrest height adjustment is variable providing additional comfort. The pneumatic seat height adjustment is variable using a release lever. The height of the backrest and the seat angle are also adjustable. Including a rotating seat. Quiet and slip-resistant feet are also a part of the delivery.
