Stands For Music

18990

Keyboard stand »Rick«

Product variant

18990-015-55 - black

Technical Data

Adjustment	clamping lever for quick adjustment
EAN	4016842827589
Height	from 23.39 to 37.24"
Instrument support	non-marring slip-proof pad
Material	steel
Max. load capacity	110.231 lbs
Quality level	
Shape	double-braced x-stand
Special features	adjustable end cap to stabilize the stand on uneven surfaces
Support depth	13.78"
Support width	from 12.87 to 31.06"
Type	black
Weight	5.8 kg

Our best X stand - comfortable and extremely sturdy. The new design of the double brace stand tubes provides for perceptible stability and safety. The ergonomic clamping lever makes it easy to setup and collapse the keyboard stand. The robust metal joint is intermeshed in 5° steps and provides for a multitude of different positions. The scale provides the user with the option to always select their preferred setting. Both of the back rubber end caps can be adjusted on their axis and as such can be adjusted perfectly to the width of the keyboard. The maximum depth is 13.78". The typical K&M quality characteristics such as solid workmanship, high quality powder coating and a useful adjustable end cap for uneven surfaces complete the overall concept and design. The stand can be expanded for a second keyboard with the 18941 stacker.
