Size when folded	42.32 x 4.92 x 4.92"
Special features	particularly useful when space is restricted; folds flat; integrated shock absorber
Tube end(s)	diameter 1.378"
Type	black
Weight	6.5 kg

The footprint of this unique speaker stand is especially flat making it particularly useful when space is restricted. The stable speaker stand is an ideal solution for the ambitious solo entertainer or professional event technician. Metal connectors and tubing give the stand a very sturdy character. Adjusting the height of the stand is easy and reliably secure with K&M's tried-and-tested locking bolt system. Integrated shock absorbers, a safety device and the practical mounting aid are extras which are standard on König & Meyer's speaker stands.
