Price display

Boom arm 2-piece telescopic design

Material steel

Extendable boom arm with 3/8" or 5/8" microphone thread connection. The sturdy tube combination with diameters of 0.787 and 0.59" provides a usable extension length of 65.747". A 6.613 lbs counterweight assures the necessary balance. Thanks to the $\varnothing$ 1.377" stand adapter, the boom arm can be combined with common speaker and lighting stands.
